Blas ar Fwyd is a family business, founded back in 1988 by Deiniol ap Dafydd and Chandra Dafydd. Since then Blas ar Fwyd has gone from strength to strength and we have grown significantly over the last 33 years.

We have 2 depots, one in North Wales and one in South Wales, along with our ever-growing fleet of our own refrigerated vans.

We have won over 47 Great Taste Awards for our handmade products which are made in our SALSA approved kitchens, under the care of Gwenda, our head chef for over 23 years.

We not only supply our wholesale customers with the best products we can find, our local customers are just as important to us. Alongside the warehouse and kitchens on the high street in Llanrwst, we run Amser Da cafe-bar, our Deli and our Wine Shop.

You're welcome to call in.

Brooke's Wye Valley Dairy Company rests in the rural heart of the Wye Valley in South Wales. They are a family business and have been making dairy products on their farm for over two generations. Angiddy is a mould ripened soft cheese, similar in style to a brie or camembert. The milk from their cows not only gives a fresh flavour but an addictive tang.

All our cheeses are handmade by our family and are free from any artificial preservatives or colourings. They are all suitable for Vegetarians and are coloured in a bright wax coating to give a long natural shelf life of 5 months if they are stored correctly between +0 to +5 oC.

Our famous Pwll Mawr cheddar is aged 300ft below ground at the bottom of the mine shaft at Big Pit Mining museum in the World Heritage site ½ a mile away. Once every 2 weeks Gerry does a cheese swap. He takes the cheeses to the Big Pit, ready for maturing and the miners bring up the batch which has been aging below ground for the past 2 weeks. Big Pit is open to the public and is free to visit.

Parking is charged.

We produce very distinctive cheddars, many are flavoured with local alcohols which act as our natural preservatives and include; Celtic Spirit whisky, Black Mountain Liqueur, Brains SA & Reverend James ale and Taffy Apple cider.

Our Taffy Apple cheese won the International Cheese Awards Gold Medal 2018.

Our cheddars have scenes of Blaenafon's industrial heritage on the labels.

We are a specialist cheddar cheese company based in the World Heritage site of Blaenafon, South Wales. Situated in the main High Street, we produce everything from our premises.

A Taste of History

Legend has it that centuries ago a Welsh king was holding court in Aberffraw (pronounced A-ber-fro) on Anglesey, North Wales. His wife was walking on the beach there and, seeing a pretty scallop shell, had a cake baked in its shape.

However, the true origin of the biscuit is the famous Christian pilgrimage to Santiago de Compostela in Spain.

This pilgrimage to the church of St James in Galicia, north western Spain, began in about the 8th Century with pilgrims wearing badges on their hat in the shape of a scallop shell. It's for this reason Aberffraw biscuits are sometimes also called James cakes. Under the patronage of King Gruffudd ap Cynan (1075-1137) or his son and successor Owain Gwynedd (1137-70), a stone church was built at Aberffraw with Romanesque features similar to 12th Century churches on the pilgrimage route to Santiago de Compostela.

This building is the final link to the scallop shell of St James pilgrims and the small Welsh village of Aberffraw.

Aberffraw biscuits are known locally in North Wales as Teisen Berffro - "teisen" being the Welsh for cake and "Berffro" is short for Aberffraw.

AFALLON MÔN

Daw ysbryd benywaidd i droedio'n ysgafn ar ein Hynys ddedwydd, gan redeg yn ddwfn o fewn ei hafonydd a'i nentydd

Hon yw mam ysbryd y creu a'r magu, sy'n ffrwythloni popeth mae'n ymblethu drwyddo. Clywir ei sibrydion yn yr awel, yn murmur yn dawel wrth ei chwaer ynys, Afallon

Mae'n galw ar y dduwies Branwen ac ar Dwynwen, santes addfwyn y cariadon coll, ac yn canu'n dragwyddol ddiolchgar i'r copaon enfawr y tu draw i'r dŵr.

Ein nod yw mwydo Jin Afallon Môn â'r rhinflas benywaidd hwn, gan feddalu a thynnu blas y jin, a'i wneud yn ddiod Môn ym mhob ystyr.

AFALLON MÔN

Môn, this ancient motherland which fruitful womb lies warm, sheltered by the towering peaks of Eryri, their gracious guardianship conferring a more temperate climate

A female spirit gently haunts our blessed Isle running deep within its rivers and streams.

It is the mother spirit of creation and nurture, making fertile all it entwines. Its whisper can be heard in the wind, softly murmuring to its sister Isle Afallon

It calls to the goddess Branwen and to Dwynwen, gentle saint of lost lovers, and sings in timeless gratitude to the mighty summits across the water

Our mission is to infuse Afallon Mon Gin with this female essence, softening and mellowing its flavour, making it truly the drink of Mona

Devil's Bridge Rum is the flagship product of a company devoted to shouting about the wonders of Wales. The diverse, passionate team were inspired by childhood stories of the legend of the Devil's Bridge to create a unique spirit that combines the Caribbean's finest rums with the flavours of Wales - Bara Brith, Glengettie Black Tea and Shirgar Butter. Infused, distilled, bottled and lovingly hand-packaged in Carmarthenshire, we want to bring Wales to the world one bottle at a time.

A CHARGE OF £20.00 IS MADE FOR EVERY UNPAID CHEQUE TO COVER OUR BANKING AND ADMINISTRATION COSTS.

5. DELIVERY AND PASSING OF RISK

Delay in delivery shall not give rise to any liability upon the seller or entitle the Buyer to cancel the contract whether or not any time or date is given for delivery. The goods shall be at the Buyer's risk on delivery to the Buyer or the Buyer's carrier.

DAMAGE IN TRANSIT - When the price of the goods includes the cost of delivery outside the Seller's premises, the Seller will replace, free of charge, goods lost or damaged in transit, provided the Buyer or consignee shall:

1. give the seller notice by telephone on the day of delivery, confirmed in writing within three days from the day of delivery, the nature of the loss and damage.
2. where the goods are delivered by outside carriers comply with such carrier's conditions of carriage for notification of such claims.

6. CLAIMS - DIRECT, INDIRECT OR CONSEQUENTIAL LOSS OR DAMAGE

Except as provided in 5.2 of the Unfair Contract Terms Act 1977 (liability for death or personal injury resulting from negligence), the seller accepts no responsibility in any circumstances for any direct, indirect or consequential loss or damage, howsoever arising, which the Buyer may sustain in connection with goods supplied.

INDEMNITY

The Buyer shall indemnify the Seller against all claims in respect of any loss or damage sustained by a third party arising from the sale of goods to the Buyer howsoever caused.

7. RETENTION OF TITLE

Title in the goods shall be retained by BLAS AR FWYD CYF. (The Seller) until payment in full is received. In the event of non-payment by the Buyer by the Payment Date or if the Buyer shall in the opinion of the Seller be unable to settle his commitments, the Seller shall be entitled to enter any premises where the goods may be and recover possession of same. Under no circumstances shall title pass to another party until full payment is made to the Seller. Any conditions of contract, which the purchaser may purport to impose, shall form no part of the contract between the purchaser and the company. Any variation of these terms and conditions of contract must be agreed in writing and none of the company's employees or agents has any authority to bind the company by any oral agreement at variance with these terms and conditions of sale.

8. NEW ACCOUNTS

Credit accounts may be opened upon completion of a satisfactory credit check and/or bank and two trade references. The Seller reserves the right to check details supplied by the Buyer with a credit reference agency including information from the electoral register and fraud prevention agencies. A record of this search will be kept and the search details and other information which is supplied to the company may be used by the Seller. This information may also be used for debt tracing and the prevention of money laundering as well as the management of the buyers account. The Seller may also pass information to financial and other organisations involved in fraud prevention to protect the company and its associates from theft and fraud. For the avoidance of doubt, the Seller shall at all times comply with the provisions of the Data Protection Act 1998.

9. FORCE MAJEURE

This company shall not be liable for the failure to fulfil any terms of any transaction governed by these conditions of sale if fulfilment has been delayed, hindered or prevented by any circumstances whatsoever which is not directly within its control.

10. LAW - The contract shall be subject to and interpreted in accordance with the laws of Wales and England.

ORDERS CAN ONLY BE ACCEPTED ON CONDITION OF CUSTOMER AGREEMENT TO THE ABOVE CONDITIONS
